Workshop Description

Whatever your style or budget, you can enjoy the benefits of a green home. Learn how to

- assess your family needs in a home;
- choose a designer and builder;
- select a lot or make the most of the one you have;
- increase comfort, health, and durability;
- reduce utility bills;
- make smart material and appliance choices;
- develop a beautiful landscape that saves water, time, and money;
- and maintain and operate your home’s structure and systems.
